

VCQ & TURIS
Summer School
2024

Interfacing Gravity and Quantum Physics

2nd - 6th September 2024

Vienna University

from

Basic Concepts of **General Relativity**
and **Quantum Information**

to

Experiments at their Interface

and

Physics Beyond the Standard Model

including

Tutorials, Poster Sessions & Lab Tours

with lectures by

Sougato Bose

Clare Burrage

Gia Dvali

Nick Huggett

Eduardo Martin-Martinez

Tracy Northup

Christopher Overstreet

Anna Sanpera

Hendrik Ulbricht

public talk

Markus Aspelmeyer

September 5th
